

EXPOSITORY WRITING ASSIGNMENT

CS492 / MIS492

SENIOR SEMINAR

“ETHICS IN IT: A BIBLICAL PERSPECTIVE”

1. Write a paper on the topic “Ethics in IT: A Biblical Perspective”. The paper should meet the following criteria:
 - a. 4 pages in length
 - b. Arial font (size 10, 11, or 12)
 - c. Double-spaced
 - d. 1st line of paragraphs indented ½ inch
 - e. Page margins 1 inch top and bottom, 1¼ inch left and right, with page numbers centered in the bottom margin
 - f. Separate title page including paper title, course number and name, student name, and date (not counted in paper length)
 - g. Bibliography on a separate last page (not counted in paper length)
2. Biblical support for your position(s) is/are required.
3. Other references (journal articles, etc.) are highly encouraged.
4. The topic given is purposely broad, to allow you to either address the topic in general, or focus on an aspect of interest to you. However, some of you may wish for more specific guidance or suggestions. Therefore, the following (non-exhaustive) list of specific issues is provided for your consideration:
 - a. Computer Privacy
 - b. Environmental Concerns
 - c. Intellectual Property Rights
 - d. Jurisdictional Issues
 - e. Programmer Responsibility
 - f. Protecting Children On The Internet
 - g. Unauthorized Access
